TOWN JOURNAL

A special town meeting was held on January 16th to vote on 30 proposed amendments to the 1936 Zoning Ordinance. Only two of the thirty proposed amendments passed: one which permits in any zone, greenhouses, cemeteries, hospitals, sanitariums, homes for the elderly and buildings for municipal use. The other amendment permits in any zone, partial use of a home by a resident for consulting and professional uses.

Memorial observances were well attended on the Sunday before Memorial Day. A parade in the village was made up of a color guard of the Veterans of Foreign Wars from Bennington, a firing squad from the Antrim American Legion, the Peterborough School Band and Boy Scout and Cub Scout groups. Appropriate ceremonies were conducted at the cemeteries, at the World War I memorial at Stephenson Memorial Library, at the World War II memorial at the State Park and at Otter Lake for the Naval veterans.

On May 4th the first passenger train in 14 years, and probably the last, passed through Greenfield. The train was made up of five self-propelled Budd cars and carried 300 passengers on a Railroad Enthusiasts excursion from Nashua to Hillsboro.

The annual Fourth of July Whing Ding was a one-day celebration this year and as in previous years was sponsored by the Recreation Committee. Attractions included a midway on the common, a Little League baseball game, a parade of 32 units, a chicken barbecue luncheon, music by three bands during the afternoon, a penny sale, exhibition square dancing, a country supper, a rock-and-roll dance and fireworks. Cloudy, threatening weather was probably responsible for a smaller-than-usual daytime attendance, estimated at 3,000. The evening attendance for the fireworks was estimated at 5,000. \$1,044.87 was realized.

On January 31st the Greenfield School District voted to join the Contoocook Valley Co-operative School District and to convey its property to the new Co-operative District. At the end of the fiscal school year on July 1st, participation ended with Union 63 which was made up of Francestown, Greenfield, Greenville, Lyndeboro, Mason, New Ipswich, Temple and Wilton. On that date the Greenfield District became a part of the new Contoocook Valley Co-operative School District consisting of Antrim, Bennington, Dublin, Francestown, Greenfield, Hancock, Peterborough, Sharon and Temple. During the summer at the schoolhouse, improvements were made under the direction of the Contoocook Valley Co-operative School District. Two additional rooms, one for a library and one for remedial reading,

were partitioned off in the basement. A bulkhead was installed, the furnace was enclosed with fireproof materials and the oil tank was relocated outside the building.

The Rev. Frank W. Sherman resigned as minister of the Union Congregational Church on January 14th. The church received a memorial gift of an amplification system.

Stephenson Memorial Library was opened for additional hours during the week and a children's story hour on Saturdays was instituted, thanks to work on a volunteer basis by Miss Ruth W. Merrill.

Five-tenths of a mile of the New Boston road was improved to a Class V road.

Two more air packs for protection against smoke inhalation were added to the firemen's equipment.

At the State Park, a self-guiding nature trail was developed around Hog Back Pond.

The Woman's Club assumed sponsorship of the dental clinic for the elementary school children on an annual basis. The Club purchased a ten-quart food mixer for the school lunch program and provided wood chips for mulch around the foundation plantings at the town hall. For Stephenson Memorial Library, the Woman's Club purchased a typewriter and a table.

A Greenfield Home Economics Extension Group was organized with 15 members.

The Sunset Manor Nursing Home, owned by Mr. and Mrs. Edward L. Conley, expanded to a 10 bed unit and became a licensed nursing home.

During the year there has been a continual increase in the activities at Crotched Mountain Foundation Center. Both the School for the Deaf and the School of Special Education have a capacity enrollment with 120 students for the Deaf and 60 in the School of Special Education.

Major Jarvis M. Adams received a degree of Master of Business Administration from Harvard School of Business Administration in 1967.

The following young men were inducted into the U.S. Armed Forces: Brent Gagnon, George F. Shea, Jr., Roland Simoneau, Army; Dean P. Russell, Jr., Air Force; Daniel Sullivan, Navy.

New homes were built by Thomas M. Coughlin and by Richard Metivier. Robert W. Fortin's house was finished. Ben Sanford converted his warehouse into a dwelling.

Wells were drilled for the following: Mrs. John H. Field, to a depth of 193 feet; Elmer Holt, 240 feet; Charles R. Hopkins, 294 feet; Richard Metivier, 243 feet.

TOWN TREASURER'S REPORT

To the residents and taxpayers of Greenfield, New Hampshire, I respectfully submit my fourth annual report as your Town Treasurer.

As in previous years we have borrowed the sum of \$30,000.00 from the Souhegan National Bank, Milford, N. H. for eight months of the year as a loan in anticipation of taxes to boost our working capital.

Our receipts in 1968 exceeded those of 1967 by \$19,855 and likewise our expenditures were up over the previous year by \$14,766.

An analysis of our total town receipts in 1968 as compared to 1967 in four major categories is shown in the following tabulation:

Class of Receipt	1968	%	1967	%	1968 vs 1967
Prop. Taxes, incl. int.	\$114,755	75	\$93,771	71	+ \$20,984
Interest & Dividends Tax	17,716	12	21,487	16	- 3,771
Motor Vehicle Permits	8,047	5	7,521	6	+ 526
All Other Items	12,124	8	10,008	7	+ 2,116
Totals	\$152,642	100	\$132,787	100	\$19,855

It is clear from this table that three-quarters of our total receipts in 1968 were derived from the property tax and this high percentage has continued to increase each year.

There follows a statement of receipts and expenses by months for the year 1968 and a comparison of the annual figures for 1968 vs 1967:

Statement of Receipts and Expenses by Months

Month	Receipts	Expenses
January	\$132 96	\$8,282 46

REPORT OF FOREST FIRE WARDEN — DISTRICT CHIEF

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young lighting matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result—escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following will help:

1. To teach our children the danger of lighted matches.
2. To *never* discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn—
 - a. You need a written permit from the town fire warden for *all* debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on *grass* by householders between 9:00 A.M. and 5:00 P.M.
 - c. Have equipment on hand to control the fire *before* you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

GREENFIELD RECREATION COMMITTEE

The Greenfield Recreation Committee sponsored Little League, Brownies, Cub Scouts, Day Trip for the Elementary School at the end of the year, Talent Show, and the Annual Halloween and Christmas Parties.

The Annual July 4th Whing Ding helped to raise the monies needed for the above activities and was headed by the Recreation Committee. The day started out rather dreary from rain the previous night but by the time of the parade "Good Old Mr. Sun came shining through" and lent a helping hand to brighten the rest of the day. The theme for the parade was "Name that Tune" and monies and ribbons were awarded for the outstanding entries. Miss New Hampshire and Little Miss State Park were the reigning queens. There were four bands to add musical splendor to the parade. The Little League had a ball game to begin the activities for the day. Other activities included a chicken barbecue, Midway, Penny Sale, exhibition square dancing, old fashioned country supper followed by a Rock and Roll Dance and a huge Fireworks Display. Booths of all kinds were open as well as the selling of raffle tickets for a portable TV and tape recorder. The rain held off until after the fireworks and then it seemed as though the heavens opened up. We believe a fun time was had by all even though the day began and ended with rain.

Little League started out with great enthusiasm but lost interest by the end of the year. The Ball Field needs to have more work done on it. We have started a fence between home plate and first base to keep from losing so many baseballs.

The Talent Show was very successful and prizes of monies and ribbons were awarded for the outstanding talent.

The Town Beach, namely the raft, seemed to give us problems this year. The barrels disappeared from the raft so a type of styrofoam bottom was added to keep it afloat. Then the ladder had to be repaired a few times due to rough use. The raft had floated to the other end of the lake on several occasions and was brought back. The beach itself needs more work as the sand has been washed into the lake.

Plans for the future include solving some of the problems with the Little League Field and our Town Beach. After all, they do belong to Greenfield and we would like to be proud of them as such.

We would like to thank all individuals, groups, and organizations who helped with all our activities.

Respectfully submitted,

Babette A. Merchant, Secretary

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Greenfield:

I submit this abbreviated report relative to the activities of the School District from the time of the final School District Meeting held in March, 1968, until June 30. At this time the Contoocook Valley School District assumed full operating responsibilities for schools in Greenfield.

All plans for closing out of the District proceeded as were projected except that late in the fiscal year the State Tax Commission, Municipal Accounting Division, indicated that it would be a physical impossibility for their office to audit the accounts of the District because of insufficient personnel. Local School Boards, therefore, assumed the responsibility for finding local auditors to conduct a careful and detailed audit. This audit was completed, is reported herein, and met all state requirements.

The accounts of the District were closed in good order providing a net balance in Greenfield of \$2,317.19. This balance developed in spite of the fact that the district did not vote to provide any additional money for unexpected developments that might occur between the time of the March meeting and the end of the school year. As provided by an article that was in the warrant, this net balance has been transferred to the Contoocook Valley School District and has been credited toward Greenfield's share of funds necessary for operating the Contoocook Valley District in 1968-69.

All Treasurers Reports and Bookkeeping Reports of the School District have been stored within the community at the Selectmen's Office and should be on hand for a period of seven years.

Copies of all recent Town Reports are filed in the Superintendent of School's Office in Wilton and are available for transfer to the Contoocook Valley School District Office.

All registers for Greenfield, such as they exist, are also at the Supervisory Union Office in Wilton and should be transferred to the Conval Office.

I am pleased to report that the transfer of administrative responsibility from the town district to the Contoocook Valley School District has been made with minimal problems and confusion.

Respectfully submitted,

KENNETH A. SARGENT
